

## Delivery Services

# COORDINATION + DELIVERY

Coordinating equipment deliveries to outpatient facilities is often complicated by the absence of receiving personnel, unloading and staging areas, and required tools. Without specialized product knowledge, detailed planning and careful coordination, these deliveries can become a serious headache. Midmark takes the pain out of delivery with dedicated project coordinators, trained delivery and setup teams, and an unparalleled understanding of our products and your expectations. In fact, Midmark Delivery Services reduces on-site delivery times by 65% and has received a customer satisfaction score of > 9 on a scale of 1-10.

## MIDMARK DELIVERY SERVICE

- Single Midmark point of contact for all project coordination ensures minimal disruption on delivery day
  - Midmark trained team provides delivery and setup of all equipment and accessories
  - Off-site, pre-configuration of equipment and accessories greatly reduces disruption to facility operations
  - Midmark recommended functional tests performed for all equipment
  - Insurance coverage for product throughout delivery and setup
- Please refer to the back page for further details on these services.**

# SYSTEMS INSTALLATION

Midmark connected solutions are designed to enhance patient-caregiver interaction, but can present a unique challenge when the time comes to integrate them into your facility. Without early involvement from a trained and trusted partner, the integration of these connected solutions can fall short of expectations. Midmark trained integration teams engage early in your project and have the expertise required to achieve the seamless connectivity that fits your unique clinical workflow.

## MIDMARK SYSTEMS INSTALLATION

- Wall mounting of Midmark Workstations and Midmark digital vital signs products
- Complete wiring of all Midmark connected solutions
- Setup and configuration of all Midmark diagnostic products
- Final quality audit ensures exam room is fully operational

**For more information about this program, please contact your Midmark sales representative or call 1.800.MIDMARK.**
